

TESTIMONIALS

"It's given me material I can use in the classroom with confidence!"

—Marie W., teacher, Australia

"I want all of our teachers to do this training, so they can remind themselves of the foundational issues for our school, evaluate what they are doing, and all begin the year on the same page!"

—Said several ways by a Christian school principal during a course.

"It has given me a passion and confidence in teaching God's message through all aspects of education."

—Mark Y., teacher, Australia

CREATION.com

A range of resources for teachers and students will be available for inspection and purchase.

"I am an evangelist. I go around and talk with people, having one-on-one conversations. During time on college campuses talking to students, 'evolution' is the number one response that I get to there not being a God—'so I don't have to believe in Him.'"

—Mark Cahill, evangelist and author of *One thing you can't do in Heaven.*

TEACHING THE **CHRISTIAN** WORLDVIEW

PROFESSIONAL DEVELOPMENT WORLDVIEW TRAINING

for TEACHERS in CHRISTIAN SCHOOLS

Christians today are continually challenged by science-related issues—in every subject area. Understanding/upskilling curriculum-integrated worldview teaching is vital!

PROBLEM

STUDENTS:

- Walk away from their faith—even those from Christian schools.
- Increasingly 'switch off' from religious studies.
- See the Bible as disconnected from the real world.

YOU CAN *DO*
SOMETHING
ABOUT IT!

TEACHERS!

HONE YOUR SKILLS in teaching all subjects within an integrated biblical worldview.

HELP YOUR STUDENTS TO:

- See the Bible as relevant to all subjects.
- Develop critical thinking skills.
- Survive an 'evolutionised' humanistic culture.

SOLUTION

COURSE PROGRAM

(The program can be presented over either one or two days)

SESSION ONE

TEACHING THE CHRISTIAN WORLDVIEW:

Impacting a post-modern culture

SESSION TWO

SIX DAYS— WHY SHOULD I CARE?:

Clearing up the confusion and exploring the role of evidence

SESSION THREE

FOSSILS AND NOAH'S FLOOD:

How our understanding of these subjects really does affect the way we teach

SESSION FOUR

AFTER THEIR KIND:

The facts of biology fit the Bible's big picture—and why that matters

SESSION FIVE

DINOSAURS:

Applying the integrated biblical worldview

SESSION SIX

ANSWERING THE MOST-ASKED QUESTIONS:

Gaining confidence and competence by exploring key questions

EACH SESSION INCLUDES A VISUAL PRESENTATION AND INTERACTIVE DISCUSSION

PRESENTERS

Highly regarded, experienced Christian communicators with degrees in various science disciplines.

Dr DON BATTEN

B.Agr.Sc.(Hons), Ph.D.

Don received both his B.Sc.Agr. (First Class Honours) and his Ph.D. from the University of Sydney. He worked for 20 years as a research horticulturalist with the NSW Department of Agriculture.

Dr TAS WALKER

B.Sc.(Hons), B.Eng.(Hons), Ph.D.

Tas holds a B.Sc. (Earth Science with first class honours), a B.Eng.(Hons), and a doctorate in mechanical engineering, all from the University of Queensland. He has been involved in the planning, design, and operation of power stations for over 20 years with the electricity industry in Queensland, Australia.

Dr MARK HARWOOD

B.Sc., B.Eng.(Hons), Ph.D.

Mark completed his tertiary education at the University of Sydney where he received B.Sc., B.E. (Hons) and Ph.D. degrees. His postgraduate studies were focused on radio telescopes and computer techniques for antenna design and measurement. He worked in the satellite communications industry for 30 years.
